Dedication

We, the staff of the '47 edition of the "Oracle," wish gratefully to dedicate this book to Mr. Joe Roberts, a member of our Board of Trustees, who has served faithfully in this capacity for the past seventeen years. He is and has been a helpful friend to all who know him.

We hope, in this way, to let not only him, but all the trustees know of our appreciation of their friendship and of their labor on our behalf.

Lots of Luck to our

Congratulations Class of 1947

as a high school graduate you are
expected to take a responsible place in
this modern world. To do this you must
first of all know how to learn.

It is my hope that you are leaving
Oakdale High with this ability. I
hope also that you have a sense of
fair play and tolerance for the ideas of
others. Only if we possess this spirit
of give and take will the United Nations
be successful in making a better
world

Sincerely yours,

The village master taught his little school.

Last Will and Testament, Class of 1947

IN THE NAME OF LEARNING, AMEN

We, the members of the Senior Class of the Oakdale Union High School, being of reasonably sound mind and body, realizing the inevitable approach of Commencement when our corporeal existence must end, do hereby bequeath and devise our earthly possessions as herein shall appear.

To the Class of 1948, of our Alma Mater, we leave our superior school spirit, in the sincere hope that it may be carefully fostered to the end that the love of learning may grow and flourish like the rose.

To the Freshmen we leave our enthusiasm and our joy in life. May they learn, as did we, the happiness to be found in the gaining of knowledge.

To the Sophomores, our younger brothers, mindful of the many times when success crowned our own efforts, we leave our perseverance and our ability to finish a hard task with success.

To all of those happy fellow students of Oakdale Union High School who shall come after us, we leave our bright-eyed optimism and our hope for the future, together with our belief that somewhere, someday, a series of new buildings will arise upon our campus—buildings in which young people, unhindered by crowds, comfortable, at ease, quiet, may successfully pursue knowledge and justify the hopes of their parents and friends for their education.

And to all good friends everywhere we leave our memories of four years of happy experiences, and our hope of a happier era when peace and understanding shall rule an undivided world.

Signed on this day, the seventh of June, in the year of our Lord, nineteen hundred and forty-seven, in the city of Oakdale,

The Members of the Class of '47.

Junior Highlights

The Class of '48 was highly successful in taking a great share in conducting numerous activities concerning the school. Of its 196 members, 18 are on the C.S.F. and a large number participate in all departments of the various sports. The Juniors have also been prominent in music, drama, and art. During the first semester two dances and Galen Harvey, humorous entertainer, were successfully sponsored by this class. The energy exerted in the sales of "Reynolds Rockets" proved the ambition for which the Junior class is known.

During the second semester, the Junior class sponsored Emiline Bogue, dramatist and platform artist, additional dances, and a most welcomed swim party. The colorful Junior-Senior Prom and annual assembly added greatly to the spirit of the students and faculty.

Sophomore Highlights

To be the peppiest class in high school has been the aim of the Sophomore class throughout the year.

The class started with one of the first social affairs of the school year by putting on the Sophomore-Freshman get-acquainted party. Upon short notice, the class of '49 presented to the student body the excellent talent within their class by staging the highly successful Sophomore Assembly. The class then sponsored a world traveler and humorist and a movie. The Sophomore Easter party and Soph-Frosh swimming party were decided successes.

The class athletic teams won many championships and members of the class were on the various athletic teams that represented the school. The California Scholarship Federation had many representatives from the Sophomore class. Cooperating with the student body, the class completed all projects undertaken.

Freshman Highlights

Another year slowly fades away while the class of "50" just begins to make history in the halls of Oakdale High. The class of "50" is well worth remembering.

Two-hundred and eighty Freshmen come and go; they cram every class room and corridor in Oakdale High.

They are taking part in all activities: drama, athletics, entertainment, C.S.F. and social life.

You may pick them out by the look of intelligence on their faces no matter where you find them.

So when the new year starts, look for the class of "50" to lead the others from the start to the finish.

To Alma Mater

"Let our voices, loudly ringing,
Echo far and near;
Songs of praise thy children singing
To thy mem'ry dear.

"Years may dim our recollection,
Time its change may bring.
Still thy name in fond affection
Evermore we sing."

The California Scholarship Federation

The California Scholarship Federation is one of the most prominent organizations in school.

Miss Marian McKenzie is the sponsor of the Oakdale Chapter of the Federation.

Officers for the first semester were: Maurice Rager, president; Henry Proctor, vice president; Barbara Fisk, secretary; and Harry Low, treasurer.

Every member is given a tiny gold pin in the shape of a torch. If he belongs to the C.S.F. for six semesters, one semester being in his Senior year, he is given a gold lamp pin upon graduating, and the gold seal of the C.S.F. is stamped upon his diploma.

Ten credits are required for membership. In any subject except P.E., an A counts 3 credits and a B counts 1 credit. These grades are based on semester average. Either an F, an Incomplete, or poor citizenship automatically disqualifies an applicant.

Sectional meetings of the Scholarship Federation are held monthly at some school in the district. A limited number of members from each chapter represent their individual organizations. These social gatherings and business meetings help greatly in fostering friendship among the different schools.

Another highlight of the year in the C.S.F. is the annual "ditch" day which is given them by the school to do with as they please. A picnic is usually the event which occupies this day.

The above picture is composed of the members during the fall semester.

The second semester showed an increase with seventy-eight Oakdale High School students having earned membership. Students who became members are as follows:

Leona Anderson, Charlotte Barnett, Betty Barnhill, Lois Barnhill, Verna Bashor, Kathleen Bennett, Virginia Bianchi, Josephine Baccari, Agnes Bolter, Bruce Bonner, Bernadine Brennan, Louise Bush.

Future Farmers of America

The F.F.A. is completing another active and successful year. There are some 70 members, with Kenneth Rairden as helmsman this year. Among the activities have been a big Barn Dance, a trip to the Pacific International Livestock Show at the Cow Palace, a Snow Trip, a Chapter Farm trip into Yosemite, and the annual Father and Son banquet. Boys have exhibited livestock at the county fair and the Junior Livestock Show at the Cow Palace. Many fine pure-bred animals have been purchased for projects. They have cooperated with the other chapters in the county in an officers' training school and skating parties as well as in a basketball tournament. In the shop the members have built many useful projects and farmers have come in to make use of our facilities. There is also an active Young Farmer Chapter in our school now as well as a class of veterans.

Girls' Choir

Under the able direction of Mrs. Marian Long the choral groups have accomplished a great deal in '46-'47.

The Mixed Chorus and the Girls' Glee participated in the Christmas program and were received with much enthusiasm. Their renditions were both impressive and heartwarming.

The A Cappella choir appeared very successfully before several local organizations.

Mrs. Long's radiant, friendly manner has been an inspiration to all those who have had the privilege of working with her.

Music Festival

From Oakdale High School fifty chorus members participated in the music festival held in the Stockton Civic Auditorium, March 8.

Over one thousand persons from the state of California, including glee clubs, bands, and orchestras, were invited to take part in the Festival. Bob Shaw, famous for his work with "Fred Waring and His Pennsylvanians", conducted the large chorus, while the instrumental department was under the direction of Ohlendorf of Michigan.

This festival gave a better understanding of music to the students of Oakdale High School.

It is just one of the things that Mr. Corrigan and Mrs. Long have done for us this year.

Speech Activities

Drama has always been popular at Oakdale High. Under the direction of Miss Margaret Stowell, the class has been given a splendid course of fundamentals. "A Date With Judy" climaxed the year.

Public Speaking was also a popular activity again this year after nine years of absence. The class sent representatives to the Modesto Speech Festival in January, appeared before the Women's Club, and presented a program at the P.T.A. Fathers' Night. Bob Mackie won the radio medal at Modesto, and the Lions Local and District prizes. The class also backed the N.S.G.W. Speech Contest, all of them participating in some way. At the time of going to press a series of radio programs is being planned for the last quarter, as well as a guest dinner.

ORACLE QUEEN

Oracle Queen Dance

The annual "Queen" Dance, sponsored by the "Oracle", an outstanding feature in the year's events, was held on March 21. Marianne Stadler, a sophomore, made a very charming Oracle Queen. Her attendants were Joyce Wendland, Marjorie Lerch, and Josephine Camandona.

This year, for the first time, a lower classman was elected Queen. The dance band, directed by Mr. Marion Corrigan, provided the music of the evening.

GIRL'S SPORTS

Dear Adell,

I don't know what I will say to fill all this space up.

About all I can say is that I enjoyed having typing with you. I hope I have it again with you next year. I really have enjoyed seeing you.

I thought you were going to come down to the Creamery last night. I went to the show after I got off work. It was pretty good.

There were lots of times this last year. I got plenty mad at you, but I didn't stay mad at you very long. Really Adell you're really a swell guy. I always will think you swell. I hope that I will see you around sometimes this summer. Well I've just about run out of anything to say.

I hope that I will be considered a link in your life's chain. I know you will be one in my chain.

You know some of the things people write in the oracles are nice but they really don't mean a word they write. That doesn't go for me. If I write something in a book I mean every word of it. To make a long story short. I think you're swell.

Lots of luck & happiness in the future.

See you next year.

Girls' sports season opened this year with volleyball and speedball, a new type of game tried for the first time as a major sport. The Sophomore Class became champions in volleyball, and, in speedball, the Juniors and Seniors became co-champions.

Basketball and tumbling followed speedball and volleyball in the winter months. On February 15, Oakdale class teams traveled to Modesto where they participated in a basketball playday. Seven of the county schools were represented at that playday. The highlight of the girls' sports year is Girls' Gym Night. As the Oracle goes to press, there is some confusion as to a suitable date for this night. In April the physical education department turns to softball and individual sports, which include horseshoes, tennis, badminton, archery, and ping-pong.

The gym department has attempted many new procedures this year, and one of the most highly successful ones has been the posture pictures. Pictures of every girl in school were taken, and attempts to correct posture were sincerely made by instructors and girls. Oakdale is one of the few schools in the state and possibly the only school in the county that has begun this method of instruction. The results are very promising.

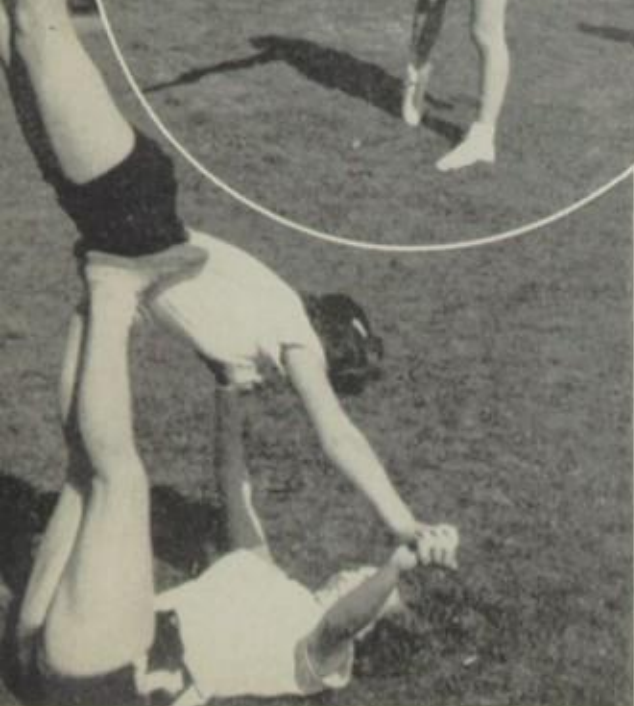

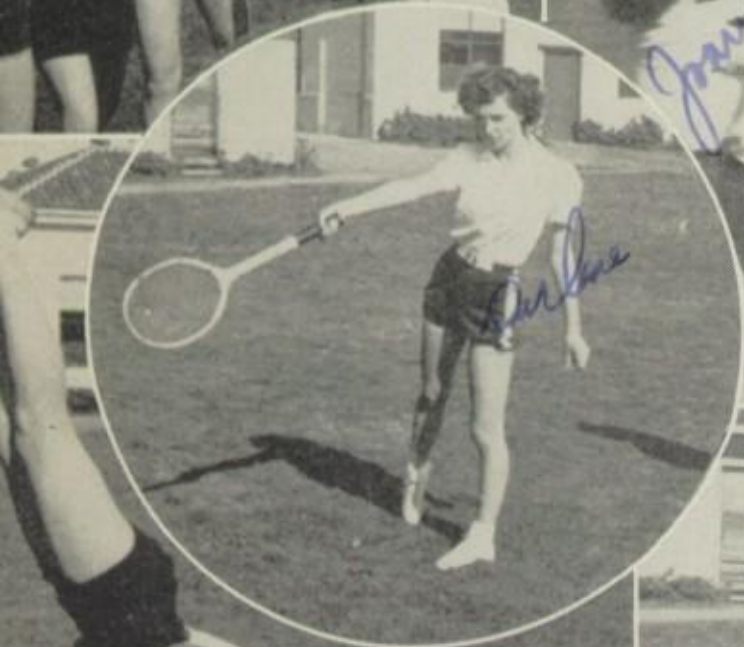

On the whole, the girls sports have had a very successful year.

Varsity Football

Under the steady hands of Coaches Harry Aronson and Howard Riddle, the 1946 football squad, powered with strong offensive and defensive teams, rang up a league championship for the season. Lacking experience, the Oakdale Mustangs first traveled to Turlock, only to meet a 13 to 6 upset at the hands of the Bulldogs. With several more days practice under their belts, the Mustangs traveled to Santa Clara to battle Bellarmine. Although hard fought, the game was a decisive victory for the Bellarmine eleven as they trounced the Oakdale players 19 to 0. Even in defeat, fullback Leroy Giovannoni and left half Glen Bacigalupi sparked the game against the overwhelming odds. Owing to the fact that these two games were only practice ones, the Mustangs' hopes were not in the least shattered when they met the Tracy Bulldogs on the home turf, defeated them 31 to 0. Fullback Leroy Giovannoni scored three touchdowns and passed to left end Bob Moser, for another tally. Lindy Morris, right half, raced

Track

With a squad totaling over one hundred boys, the 1947 Track team, under Coach Howard Riddle, was one of the top teams among the league. Outranked by Modesto and Turlock, the Mustangs' eagerness was shown when they defeated Ceres, Sonora, and Edison at a home encounter.

As the Oracle goes to press, Coach Riddle has meets scheduled with Ceres, Lodi, Tracy, and is also entering his team in the Auburn Invitational, the Fresno, and the Modesto Relays.

Star performers were Albert Farnocchia in the mile, Don Mahaney in the broad jump, Bob Shelton in the 880, Bill Verzani, in the 100, Doug DeWitt and Bob Staudenmaier in the high hurdles.

In the Bees it was Jack Robinson in the pole vault and jump, Richard Graves in the broad jump and 100. The winning B relay consisted of Cobarrubia, Soria, Mackie, and Graves, who were high scorers.

In the "C" division was Hafer in the 100-yard dash, Saludes in the 110-low hurdles, Smith in the shot-put, and George Stanley in the high jump.

"A" TEAM

Under the efficient supervision of Coach Harry Aronson the Oakdale Varsity Basketball squad completed their very successful season with high honors and a league championship.

With veterans Moser, Wallace, Morris, Giovannoni, and Bacigalupi returning, the Mustangs soon proved themselves by victory after victory.

During the season, battling through thick and thin, the Mustang quintet managed to defeat thirteen of their twenty opponents. The final game, Tracy vs. Oakdale, was one of the hottest battles of the league, but the Mustangs came through to defeat the Bulldogs 32 to 31 to end the season.

Basketball

"B" TEAM

With Coach Joe Siegfried leading the way, the Oakdale Junior Varsity squad defeated opponent after opponent to tally a 1946-47 basketball league championship.

With such outstanding players as Dale Clipper, Orville Guenther, Vervyle Hunt, and John Lerch, the Colts marched through to rank tops among the high scorers. Undergoing an operation on his hand, Dale Clipper was replaced at the last five games by center Clayton Coleman, who upheld Clipper's scoring average. Yes, the Mustang Colts enjoyed a really successful season.

Baseball

Wrestling is one of the oldest and most valuable sports. Holds employed by our modern athletes were used long ago in Biblical days.

Today, in our high schools and colleges, a form of wrestling known as "Catch-as-catch-can" is practiced. One catches his opponent, applying holds taught by competent instructors, and either pins his man's shoulders flat on the canvas or wins by points.

Wrestling provides not only a valuable training in worthy character, but a definite trend toward friendly participation in competitive activities.

Wrestling

The 1947 baseball squad, headed by Coach Joe Siegfried, turned out to be one of the best in their division.

The following boys were mainstays on the team: Karl Ohe and Glenn Arnett, pitching; Rowland Nicholson, first base; Eugene Stevens, second base; Rafael Raagas, third base; Dave Vallo, shortstop; Jerry Cole, left field; Orville Guenther, center field; and Roy Banducci, right field.

As the "Oracle" goes to press, the Mustangs have defeated Modesto 12-6, Hughson 12-6, and lost their only game to Escalon, 2-0.

Coach Siegfried has hopes of coming out on top of the 1947 baseball league.

TUMBLING TEAM
Jack DeBoer, Hal Davis (captain), Darrel Cline, Edward Wild, Eugene Stevens, Robert Carpenter, Ben Fleming, Harold Konrath, Wallace Partain, Ray Reid, Bill Rogers, James Tiffin, Kenneth Wayment, Louie Hamilton.

Cadet Corps

Commander Riddle's Cadet Corps started the year off with approximately fifty cadets. The number grew to about sixty-five at mid term. In addition to Commander Riddle, the Cadet Corps was led by three able assistants, Captain Robert Moser, First Lieutenant David Clark, and First Lieutenant Jack McLaughlin.

On January 25, the Cadets went to Patterson to enjoy a field day. May saw the cadets at another field day in Manteca. By comparison they did much better at the latter place. In March the rifle range was completed and was soon the scene of bullets flying somewhere close to the bullseye.

Several times during the year the Cadets were inspected by Col. Carter H. Speed from the Adjutant General's Office in Sacramento. The boys are looking forward to cadet training next year.

Tumbling

Under the instruction of Mr. Weichert, the newly-organized tumbling team became a major part of the Oakdale athletic teams. The tumblers were highly acclaimed at all the programs at which they appeared. This included a student rally and a performance for the drama class.

Tumbling requires the utmost coordination and grace which is sometimes hard to develop in a young man. Tumbling adds to the poise and bearing of the active tumbler. This sport also shows the strength and agility of the participant. Mr. Weichert, tumbling advisor, was very proficient in this sport during his high school and college years. He expects to have more exhibitions in the future.

for the fifth touchdown on a splendid 45-yard run, and Dave Vallo drop kicked the extra point. The Mustangs next traveled to Livingston where they met the strong Wolf team, and at the half the score was tied. The Mustangs trotted back onto the field and on a pass from fullback Giovannoni to end Bill Verzani, brought the final score 14 to 4. Orville Guenther, outstanding right end, suffered a broken collarbone during the game and was forced out of the remaining games, much to the regret of his teammates. With two league victories to their credit, the squad tangled with the Manteca Buffaloes on the opponents' turf and overpowered them 6 to 0. The score came when Giovannoni passed to Moser, who leaped into the air to make a beautiful grandstand catch. Players Giovannoni, Arnett, and Davis shone bright for the Mustangs, while Leroy Judd sparked the defeated Manteca team.

On the home turf, November 7, the Oakdale Mustangs' onslaught was stopped short by the powerful Ceres Bulldog team. The Bulldogs completed a successful pass and lateral attack to score a 12 to 6 win. Oakdale lost their only chance to tie the score when they were set back by two fifteen-yard penalties. Lindy Moris gave the Mustangs their only score on a 15-yard run in the third quarter.

In the traditional Armistice Day game held at Oakdale, the Wildcats were shown a sample of the Mustangs' playing as they received a 19 to 6 trouncing. Although the Sonora Wildcats gained a 6 to 0 lead at the half the Oakdale boys retaliated and scraped up three touchdowns in the second half. Fullback Giovannoni passed to both Moser and Verzani, who ran over for the tallies. Morris passed to Poncabare for another score. The extra point was made by a pass from Poncabare to Vallo. Oakdale scored 16 first downs to the Wildcats 3.

On November 15, the Oakdale Mustangs encountered their last opponent, Edison, on the home turf and routed them 32 to 0. Passes from Giovannoni to Bacigalupi and Moser accounted for two scores, while Lerch and Chaves both scored on line plunges. The fifth score came when Quarterback Richard Graves bucked the line while the extra point came when Bacigalupi passed to Poncabare.
